TURNKEY SERVICES

concept to completion.

Prime Mechanical, Inc. can provide a complete turnkey package taking any project from

When a turnkey approach is applicable or requested, our

business partnership with Process Results, Inc. provides the capability to design each project to the level necessary for efficient execution of the work.

Design efforts can vary from "sealed" documents for construction permits to complete documentation necessary for competitive bids.

A turnkey approach may or may not best fit your project. Please contact us to discuss your options!
